PROFILE

Software Engineering graduate with a Bachelor of Engineering (Hons) in Software Engineering (Upper Second Class Honours), Higher National Diploma in Computing, and a Diploma in Information Technology. Possesses knowledge in software development, application development, database management, artificial intelligence, web technologies, and UI/UX design. Strong academic background combined with practical project experience in system analysis, software engineering methodologies, and data analytics. Seeking an entry-level Software Engineering, Web Development, or IT-related position to apply technical skills and contribute to organizational success.

EDUCATION AND TRAINING

Bachelor of Engineering (Hons) in Software Engineering - Upper Second Class Honours

2025-2026

London Metropolitan University

Relevant Modules:

- Advanced Software Engineering
- Application Development
- Artificial Intelligence
- Project Analysis and Practice
- Final Year Project

Academic Project

PantryPal - AI Recipe Suggester System

Final Year Research Project

Grade:

- Proposal: B
- Interim Report: B
- Final Report: A

Developed an AI-powered web application that provides personalized recipe recommendations based on user pantry items, dietary preferences, and previous interactions.

Responsibilities:

- Designed and developed system architecture
- Created database structure and application workflow
- Implemented AI recommendation features
- Developed frontend and backend components
- Conducted software testing and evaluation

Technologies:

- Python
- React.js
- Node.js
- Express.js
- Flask
- MySQL
- Machine Learning
- REST APIs

The project implemented a hybrid recommendation approach combining content-based filtering and collaborative filtering techniques.

EDUCATION AND TRAINING

Higher National Diploma (HND) in Computing
ESOFT Metro Campus

2023-2024

Level 3 Diploma in Information
Technology (DITEC)
ESOFT Metro Campus

2023-2024

English Certificate Course
NIBM

2023

Currently Studying

- Google Data Analytics Professional Certificate (Coursera)
- Google Advanced Data Analytics Certificate (Coursera)
- Cisco Certification Courses

SKILLS

LANGUAGES

Programming

- Java
- Python
- C#
- SQL

Web Technologies

- HTML
- CSS
- JavaScript

Languages

- Sinhala (native)

- English

Databases

- SQL Server
- MySQL
- Database Design
- MongoDB

Software Engineering

- System Analysis
- Requirements Engineering
- Software Testing
- Agile Development
- UML

Other

- Microsoft Office
- Research
- Data Analysis
- Project Management
- Documentation

AI & Data

- Machine Learning Concepts
- Data Analytics
- SPSS
- Data Visualization
